With the Airshow only a few sleeps away, my mind keeps flitting to all things Airshow and aviation. I love flying! I find it exhilarating and the physics behind getting a plane off the ground and into the air still amazes me! And I love the views.

On a long service leave trip a few years ago I was lucky enough to do a trip by road to the Kimberleys in Western Australia. It was spectacular. My highlight though was a trip by sea plane out along the coast line of the Kimberleys to Horizontal Falls. Horizontal Falls is a gap in an expanse of rock. When the tide comes in, the water rushes in between the gorges into the enormous salt water lakes behind them. As the tide goes out, the water rushes out through the same opening. The level of the water on each side of the small opening in the gorge can differ by as much as 4 metres. This creates a waterfall effect of water rushing from one side of the opening to the other. When you are sitting in the boat in the midst of the on-rushing water, as in the picture above, you feel like a cork being tossed from side to side, at the will of forces beyond your control, and all you can see are the rock walls towering above you on either side!

When you see the event from the air however, it all falls into perspective, as you can see the narrow openings, the wide expanse of sea, and observe the phenomenon as an overall occurrence. Because you can see the bigger picture, it is easier to understand what is actually happening and why.

I find life a lot like that. As I get caught up in daily work, in family, in events and in life’s difficult times, it can be easy to see only the onrushing tide of commitments, the walls of expectations and rocks of difficult circumstances. What a blessing it is to have a God who has an ‘aerial view’ of our lives, who knows the pattern of the tides, and is with us in both places – both down in the boat of life with us, and with an aerial view of all that is happening.

In this busy week, may the God of Peace sustain you and hold you, knowing that He has a view over all of your circumstances, and knows our needs before we even know them ourselves.

For those heading away in the school holidays, may God keep you safe in your travels. For those staying closer to home, I do hope that the break from school routine is refreshing.

PRINCIPAL’S REPORT

Workforce Briefing Dinner

It was lovely to have those who could make it as our guests at the Workforce Briefing Dinner. As a staff it was our pleasure to be able to give you a night off cooking! If you were unable to attend the evening, here are a few reminders to keep you safe during your shift:

- Observe correct lifting procedures – lift with the knees, not the back!
- If possible, get a partner to help you lift in preference to trying to lift objects alone.

- Make use of the sack trucks to move heavy objects. They will be kept near the cool-rooms.
- Please bring a water bottle to your shift. Coolers of water will be provided in the food preparation area. We have ordered some extra water for those who are working for more than one shift.
- If working in the sun, please wear a hat.
- Sun cream will be available to workers at the entrance gate and school stall.
- If any issues occur, get one of the committee members in the red Airshow t-shirt to help you.
- If you have any faulty equipment or see any safety/tripping hazards, please report them immediately to a ‘red shirt’ – the safety of our school community workers and the public is the responsibility of us all!
- We have both security guards and SA Police on hand during the day for assistance with any unruly behavior.
- CFS and St Johns are both on hand.
- The weather at this point in time is looking perfect although different sites do give different versions.

Airshow service

Our chance to ask for God’s blessing on the Airshow

A Caring School for the Future
Well done to everyone who participated in The Vintage Parade on Saturday 6th April. It was a big effort by staff, students and parents at an already hectic time. The children were all well behaved and did an amazing job of handing out brochures, smiling, dancing and waving. A special thanks to:

- Tim and Michelle Semmler for the use of the truck along with assistance decorating and collecting hay,
- Rob Filsel who is always willing to jump in and help,
- Stefan Sosnowski’s and his Dad for making the lovely yellow plane,
- Belinda Wilton and Chelsea Turner for their assistance painting the plane,
- Mrs Schultz F/1, Mrs Lowke’s year 5 class and Mr Adler’s 6/7 classes for their beautiful planes,
- Sarah Lowke, Viv Ahrens, Travis Saegenschnitter and Kathryn Krieg for their support
- Last but not least Trevor and Bark Kilpatrick for coming through at the last minute with the generator we required unexpectedly.

We received a very positive response from the thousands of spectators that lined the streets between Nuriootpa and Tanunda. Well done everyone.

Warm regards,
Naomi

ONLY 4 DAYS TO GO!

Thank-you to all families will be a part of the workforce for the Airshow on Sunday.

There are still 10 places to fill mainly for shifts from 1pm to 4pm. If you are available to fill one of these shifts please contact Sarah Lowke ASAP.

Looking forward to a successful day on Sunday!

It’s not too late in invite your friends, family and work mates. It’s shaping up to be a beautiful day.

**GENERAL NEWS**

**Sports Day – Thursday 28 March 2013**

As always, there was an overwhelming amount of baked items donated for this event. Everything was delicious and we thank you so much for the time and effort spent on baking the items. Thank you to the P & F girls for working so hard on the day to set up, serve and pack up. Huge thanks to Anthony Jaensch for helping us set up and pack up. Our profit for the day was around $300.00 but will confirm that in the newsletter after the holidays.

We hope you have a fantastic break and see you all back in Term 2.

Kind regards and blessings

@ THE COTTAGE
A three-year-old boy... a miraculous trip to heaven... and a very important message for kids...

Jesus really, really loves children. And He really, really loves you!

Colton shares kid-to-kid what it's like to be with Jesus, what heaven looks like, and who you will see in heaven.
He answers kids' questions, such as, "Are there animals in heaven? How tall are angels?"

Based on the bestseller Heaven is for Real and told from Colton's perspective, this book will show kids, through beautiful illustrations and first-person storytelling, that heaven is for real.
