We are in the full swing of assessments and reports here at St Jakobi! Students are finalising special pieces of work, staff are testing and marking, and fingers are flying on keyboards typing up comments to share with parents about their child’s learning journey so far in 2014.

What was your report card like as a child? Not surprisingly mine was punctuated with words like ‘social’ and ‘chatty’.

What a blessing God doesn’t keep a report card on us! I think mine might be filled with comments like, “remembers a grudge for a long time”, “shows a lack of gratitude for everyday blessings” or perhaps “would benefit from further effort in the area of living a godly life”!

But Psalm 130:3-4 reminds us:

If you, God, kept records on wrongdoings,  
Who would stand a chance?  
As it turns out, forgiveness is your habit,  
And that’s why you’re worshipped.

God does not keep an ongoing record of all the wrongs we commit. Through the resurrection of Jesus and acknowledging our wrongful actions, words and thoughts, God in turn acknowledges our sinful behaviour, and then shows us His great love, mercy and forgiveness. Psalm 103:12 tells us that “as far as the sunrise is from the sunset, he has separated us from our sins”.

As we strive to live as forgiven people in this special community, may we be ever thankful for our God, whose habit is forgiveness.  
May God bless your week,  
Kathryn

PRINCIPALS REPORT

St Jakobi App

Last Friday saw the launch of our new school app. Many parents have downloaded it, and are now getting regular updates of communications and messages of events. Was great to be standing next to a parent as they received an alert indicating a message had gone out from the school – we were both ridiculously excited!

If you would like any assistance in putting the app onto your mobile device, please don’t hesitate to bring it in to the office, and office staff will support you. Or if unable to get in to school, just ring, and they will talk you through the process over the phone.

I will make myself available from 6 – 6:30pm here at the school on Monday June 30th if anyone would like to bring their device in and have assistance in downloading it.

The School band will be performing at Worship in week 10. We hope to see you there!

Police Checks and Valuing Safe Communities Workshops.

From the beginning of Term 3, the new DCSI Screening checks and attendance at a Valuing Safe Communities Workshop will be required to work directly with students. As we LOVE having parents involved in our school program, I urgently encourage parents to consider getting these two requirements completed. Once done, they will last for 3 years, and will allow adults to work with children across a range of settings.

The final Valuing Safe Communities Workshop for Term 2 will be held on Monday, 30th June, from 6:30-8:30pm in the Valley of Hope Centre. Please register your participation through the front office so that we have materials ready for you.

Change to our Newsletters

In line with the updating of the Privacy Act, you will notice some changes in our Newsletter. We will only be putting first names with student photos, and prayer families will be listed by family name, followed by parent initials in the case of more than one family with the same name. In the coming month we will be investigating ways of delivering our Newsletter to intended recipients without it being available for public access, as is currently the case.
To complement their work on 3D solids in Maths, Year 3/4 have been focusing on three dimensions in Art. They used plasticine to make colourful ‘sculptures’ and also used matchsticks (with plasticine at the vertices) to create examples of 3D solids. Students have also used isometric dot paper to draw 3D solids and tried stippling in 2D shapes (on paper) to make them appear 3D. In addition, students made 3D ‘sculptures’ out of salt dough and then painted them after they were baked. Good Solid Fun! ;)

**CONCERT**

It’s that time of year again when we start to get ready for our school concert. This year our play will be based on the story of Shrek with a twist. A big well done to Caileigh Gladigou for coming up with the name of our concert for 2014 which will be…

**Mystery and Mischief**

We understand that the sourcing of costumes takes time so we are letting parent’s know now what items we are looking for so that there is plenty of time.

Foundation/ Year 1 – a pink skivvy or long sleeve top (or a white one that we can dye pink) and a pair of pink socks to use as trottors.
1/2 - Students will only wear one item which will be made. Please see next week’s class newsletter for details.
2/3 - Black pants or leggings.
3/4 - Girls (black leggings/pants and black T-Shirt) and Boys a brown T-shirt and bright coloured pair of shorts.
