As far as the east is from the west…

The mechanic looked the old car over carefully, and then rendered this verdict: “Keep the oil, and change the car.”

Sometimes it’s hard to know what things to keep and what things to throw away. It can also be fascinating and surprising to guess which people are ‘throwers’ and which are ‘hoarders’.

One of the things I have been doing this year is going through our house room by room, just 10 or 15 minutes when I get a snatch of time, and evaluating what we have. If I use it, I love it or it has sentimental value I keep the item. If it hasn’t been used in the last 12 months or I don’t love it, then it goes to a charity to bless other people, because it might be just what they are looking for. And if it’s just rubbish it goes in the bin! I am loving my new pared down rooms containing just the things I use or love!

How wonderful it is to remember that God is a ‘thrower’! Psalm 103:12 reminds us that:

As far as the east is from the west—
that is how far he has removed our rebellious acts from himself.
(God’s Word Translation)

I always have a mental picture of God throwing those sins as far away as the east is from the west. We need never fear that God will keep a record of all our wrongdoing – Jesus came to take all that upon himself. We are now free to come to God, because of what Jesus has done, and be what God wants us to be – his children. When we acknowledge Jesus as our Savior, the burden of past and future wrongdoing is removed; nothing is too big for God. Our desire to live in relationship with God then encourages us to strive to live Jesus’ way, and to own up to God when we go the wrong way again.

Sometimes we can be hoarders when others wrong us. We can hold on to feelings, fears, hurt and hate for things that have occurred in the past. This has the power to hold us back from being free and whole. Forgiveness is the key – acknowledging the hurt and effect events have had, but having the strength and courage to let it go through forgiveness. May we all strive to be ‘throwers’ in our relationships with those around us, reflecting what God has first done for us.

May God bless your week,
Kathryn
THOUGHTS/ PRAYERS & THANK YOUS

- Lord keep our families safe and healthy throughout this last term at school.
- Bless our grand friends as they prepare to visit us here at St Jakobi and welcome them all with open arms.

2015 Barossa Airshow News
We have received notification that the application for the telecommunication tower close to the end of the Rowlands Flat Airfield has now been withdrawn. This is a fantastic outcome for our school in particular, as this event is our major fundraiser, but is also a great outcome for the wider Barossa community. Planning for the 2015 Airshow is already in full swing.

Would you like to be responsible for choosing the lucky recipient of the 2015 Barossa Airshow charity donation? We are calling on all students and families of St Jakobi to put forward charities who do great work, and whose work would benefit from the extra funds. Preference is given to charities that are either linked to aviation or who have a child focus. Please send any ideas you have to Mrs Krieg by email (kathrynk@stjakobi.sa.edu.au) by the end of Week 3, with a link to the charity's website. Students from Years 2 to 7 will then have the chance to hear about the different charities suggested and during Week 4 vote for the charity they would like to see receive the donation. We will let the school community know about the lucky recipient in Week 4’s Assembly.

If you come to the school you will notice a new and unusual addition to our grounds – a small plane. Mr Steve Ahrens, our BAS Chairman, has managed to secure the ex-flight training aircraft which has recently been retired from service. Long term it will be used to promote the Barossa Airshow, but in the short term we will keep it at the school for the students to have a look at. Once re-assembly is completed students will have the opportunity to explore the plane close up.

As you are getting calendars set up for 2015, please save the date for the Barossa Airshow – SUNDAY 12TH APRIL. This is an event run completely by our school community, and therefore all families are rostered on to complete shifts, mostly on the day of the Airshow, but also a small workforce on the day before and the day after. Further information will be sent out before the end of this year.

Grandfriend’s Day
This most special event in the St Jakobi calendar is coming up quickly! Grandparents and special friends are invited, by the students and families, to come and visit the students at the school. They are able to view the classrooms, see the student’s work, meet their teacher and classmates, and spend some time with them in the school environment. It is our hope that each student is able to have someone special come to visit.

It is expected that each family who have a guest coming to the school sends in a small plate of morning tea with their child to assist in catering for our special visitors. A big thank you goes to P&F who are organising the logistics of catering for our Grandfriends. If you are able to spare an hour to help set up, serve or pack up, your assistance would be gratefully received – please speak to either Kathryn or Fi Jones.

WINE AND CHEESE NIGHT: P&F AGM – Monday 24th November
All parents of our school community are invited to the next meeting of P&F, to be held on Monday 24th November at 7:30pm. It will be a chance to get together socially, but part of the time will be put aside for the AGM. I will be sharing the Grounds Masterplan at this time, and highlighting the work the P&F have done during 2014 and the resulting facilities and opportunities through which our students have directly benefitted through the work of this dedicated group.
School Community Business Directory
Have you ever needed a tradesperson and not known who to call? Or a product and not known where to purchase it? We have many families in our school community who have a trade or own/work in a business providing a great service. And as a consumer it’s great to know the person you are getting into your home or contracting to do some work.

St Jakobi would like to offer a business directory to our school families, allowing families to advertise their own businesses within our school community, and our school community to access services from within a known company or business. A letter will be coming out shortly further explaining the purpose, costs and what we require from businesses. We would like to have the directory completed before the end of this school year, so that our school community has it over the Christmas holidays and into 2015. Please watch out for this correspondence.

Uniform
Please note that summer only may be worn for the rest of Term 4. If a particularly cold snap of weather is forecast (ie into the teens or with rain/cold wind) the school will let parents know that winter uniform is an option.

In regards to the change-over of old uniform items to the new uniform items (ie anything with the old logo on it or girl’s summer dresses) the last term these items may be worn is Term 4 of 2015. From Term 1 of 2016 onwards only items with the current logo and new girl’s summer uniform may be worn. This will complete a 3 year turn over time during 2013, 14 and 15, as offered by School Council to help parents in bringing in the new items of clothing with as little financial burden as possible.

Williamstown Amateur Players
The Sleeping Princess” This Pantomime was a very interactive and entertaining show for all ages. The Actors played their roles very well. Their jokes, romance and drama were all great to be part of. I enjoyed it very much and I’m sure the rest of the students loved it also. By Aarie T

Cricket Clinic
On Thursday of week 1 this term, two cricket coaches from SACA’s ‘in2cricket’ school’s program, visited St Jakobi and held a fun skills session for students in the Foundation to year 5 class. Students were divided into groups where they experienced different facets of the game and tried their hands at different skills.

Well done to all the students and a big thankyou to SACA for the opportunity.
Little Athletics Program for Schools (LAPS) is a national school sports program, run in conjunction with the South Australian Little Athletics Association (SALAA).

LAPS aims to develop the basic skills of Athletics - (High Jump, Long Jump, Shot Put, Hurdles, Discus and Running), in a fun and friendly way.

Mr Daniel Mikic, (SALAA Development Officer) will be conducting sessions for all students on Thursday Weeks 3 & 4.

You never know, St Jakobi may have an athlete representing Australia, at the 2020 Summer Olympics, Tokyo, JAPAN!
Grandparents & Special Friend’s Day

### Williamstown Pantomime
Well, that’s the Pantomime over for another year! Attendance numbers were down at this year’s performance, but we still managed to make a whopping profit of $1,014.00 (slightly higher than last year) which was an amazing achievement. ENORMOUS thanks to the school families for their wonderful donations of sausage rolls, slab cakes, slices, cupcakes, muffins and biscuits. The delicious food was once again well received by all who attended the Pantomime. HUGE thanks also to the P&F Committee and the people outside of the Committee for their help setting up, serving and cleaning up at the sessions. As always, we had so much fun offering this fantastic service to the community which was very much appreciated by all who attended.

We look forward to seeing those interested in joining the P&F next year at the AGM on 24 November 2014 at 7.30pm.

Have a great fortnight.

Kind regards and blessings
Fi Jones and the P & F Committee
COMMUNITY NEWS

SPANISH FOR KIDS

When: 10am - 11am Saturdays
Where: OSHC room
Cost: $20 per child

Join us for fun lessons learning Spanish, one of the world's most spoken languages!
