Living in a school community is a lot like living in a family. We share our joys and sorrows, our achievements and frustrations. God’s Word shares with us the need to continually build one another up in positive ways, so that we can strive to be a blessing to each other in our families and communities. The following verse highlights this:

Finally, brothers and sisters, rejoice! Strive for full restoration, encourage one another, be of one mind, live in peace. And the God of love and peace will be with you.

2 Corinthians 13:11

The encouragement of one another is vital for healthy growth and self esteem. It enables the recipients to strive to greater heights, and to reach for what had previously seemed unattainable.

The following was shared by Jo Hermann several years ago at the Class Carers meeting. I kept it as it expresses that support and encouragement in such a delightful way, even more relevant as we watch our beautiful kitchen garden flourish under the encouragement of Sibohn, the Year 4/5 classes and our parent volunteers:

Plant your Garden today…
First, plant three rows of peas:
- Patience
- Promptness
- Prayer

Next plant three rows of squash:
- Squash gossip
- Squash indifference
- Squash criticism

Then four rows of lettuce:
- Let us obey the Lord
- Let us be loyal
- Let us be true to our obligations
- Let us be unselfish

And finish with four rows of turnip:
- Turn up when needed
- Turn up with a smile
- Turn up with a vision
- Turn up with determination

(Author unknown)

May God bless your week,
Kathryn

Sports Day – Friday 27th March
Go teams! Sports Day has become a really special event on our school calendar, with many parents joining us on this day for fun and the Canteen’s fabulous picnic lunches.

Whilst students are required to wear their school uniform sports shorts, it would be great if they could wear a t-shirt in their house colour. They can also have hair ties, shoelaces, nail polish etc in house colours, as well as bring a mascot dressed in house colours. Hair may be sprayed in the team colour, however this needs to be done at home. (No spray cans at school please, and no zinc sun block please.) And Mums and Dads, we love to see you dressed up too!

The day kicks off at 9:00 am with Chapel before hand. Year 4/5PP will now be leading worship. After a quick suncream and toilet break, tabloid events will begin about 10am.

At the end of the day, if parents are at the school grounds, you are welcome to take students home with you if we finish early – just let your child’s teacher know so they can be marked off please. If you wish another parent to collect your child(ren) for early finish this needs to be prearranged via a note to the teacher. Bring picnics, rugs etc for lunch!

A couple of requests for help for Sports Day:
1) 6 shade gazebos – we have the two school ones but need 6 more to give two gazebos per house
2) judges/scorers for the events
If you can help out with any of these things please let Paul Adler or Admin know.

Go RED, BLUE, YELLOW and GREEN!

Bus sponsorship
There is still one space available on the bus if you wish to advertise your business. Please contact Travis ASAP to discuss this exciting opportunity.

SAPSASA District Swimming Carnival

The Barossa & Light SAPSASA District Swimming Carnival was held at the Nuriootpa Pool on Wednesday March 4th.

St Jakobi Lutheran School was proudly represented by Charlee-Rose Hodgson, Annabel Nolan and Austin McDonald. These swimmers are to be commended on their super efforts in the pool and on the way they encouraged one another throughout the day.

Congratulations to Austin McDonald who has been selected in the District Swimming Team and has the opportunity to compete in the State Country Swimming Carnival later this month. Good luck Austin!

Konnichiwa! こんにちは!

The Year 2/3 students have been learning about Mt Fuji, or Fujiyama ふじやま! Fujiyama is one of the most famous stratovolcanoes, (also known as composite volcanoes) in the world.

To explore the idea of a volcano, the children conducted experiments using bi-carbonate soda and white vinegar. Many ‘ooohs’ and ‘aaahs’ were heard as the froth quickly bubbled up and over the cup, creating fantastic patterns on the sand, just as lava does when the volcano erupts.

It was suggested that next time, we could add food colouring or jelly crystals to the bi-carb, for a more colourful effect, and apparently adding crushed ice is an excellent way to represent the rock fragments. Easy peasy Japanesey!!

Sports Day

The first P&F fundraising event for 2015 is fast approaching! Sports Day will be held between 10am and 3pm on Friday 27th of March. As in previous years, the P&F will be selling cakes and cold drinks. We will require help to set up, serve and clean up on the day. If you can offer an hour or two of your time on the day that would be greatly appreciated. If you are able to help out with baked goods for us to sell please let us know. These will need to have the ingredients labelled.

Subscriptions

Just a reminder to get in your P&F subscription. For just $2 you will be kept up to date with what the P&F are currently involved in. You will receive the latest minutes from the previous meetings and kept informed of upcoming events.

Airshow

We will be taking part, as a committee, to bake goods for the Airshow. These will be sold as part of the Airshow’s donut stall. This will included the Friday afternoon/evening before the Airshow, baking and packaging of the goods to be held at the School’s kitchen. If you able to help out that would be greatly appreciated. Time TBA.

Gemutlichkeit

This event is held on Easter Monday at the beginning of the Vintage Festival. We have been asked to do a donut stall and would be a good fundraiser for us. The event runs from 11am till 5pm. Thank you to those people who are helping on the day, although some more help would be appreciated. You will enjoy great music and the smell of hot cinnamon donuts, what could be better? This would be a good event if you are new to the school or have not seen the P&F in action. If anyone is able to come along and help for a couple of hours just let me know.

Kind Regards

Brad Mundt and the P & F Committee

Help us to help others

Country North SA Medicare Local is working with the Sierra Leone community in Adelaide to collect donations of much-needed items to help care for patients with Ebola and orphans of Ebola.

A striping container will be arriving Adelaide on 23 March bound for Sierra Leone. We hope this effort will alleviate some of the suffering of those affected by this disease.

Some Facts About Ebola:
- There have been over 23,300 cases of Ebola reported across the 3 affected countries (Guinea, Liberia and Sierra Leone), with widespread Ebola since May 2014. Of these cases, over 9,500 have died from the disease.
- Over 11,000 children have lost a parent or been orphaned, many of them are shielded by their communities because of fear of infection.
- Nearly half of the African cases (11,900) have occurred in Sierra Leone and over 1/3 of the deaths.
- Sierra Leone also continues to have the highest number of reported new cases.

Donate goods for Ebola patients & orphans

For patient care, please donate:
- Clean bed linen, towels and face washers, soap, antiseptic gel, bleach and clothes washing detergent
- Old but clean hospital gowns, surgical gloves and masks saline solution medical tape and general health care supplies

To support Ebola orphans, please donate:
- Lightweight children's clothing, child size things (flip flops)
- Toys and books

Second hand goods are acceptable but should be clean and in good condition.

No money accepted

More info: phone Ali Krooly 8565 8500
