Doing things that last - Psalm 138

Your love, Lord, endures forever (verse 8)

The author, Tony Campolo, once interviewed a large number of people over 80 years old. He asked them what they would do differently if they had their lives over again. One of the most popular responses was this: If I had my life over again I’d do things that last.

What lasts? Looking after our planet, doing things to preserve all of creation, is doing things that last. We leave a legacy to our grandchildren and great grandchildren. Spending time working on building and maintaining nourishing relationships with others, and that starts with our own family, is doing something that lasts well beyond our lifetimes. At the end of the day, who is going to remember us? It will be our children and hopefully our grandchildren.

Someone once said that ideas last – they never die – they continue long after we have departed this world. I think there is truth in that. And the things that have shaped the world in the long term are ideas. Believing Jesus and the teachings of the Christian Bible, is more than a set of academic ideas. It’s a relationship. I believe the relationship that God wants to have with people is something that lasts – it will continue after I have died. In fact, there is the promise of a new, better, richer, never-ending life after the grave, because of having a relationship with Jesus.

Thank you Lord for your unfailing love and faithfulness towards us. Nourish our relationship with you and guide us to do things that will last. In Jesus’ name. Amen

(An extract from a Face to Face message presented by Principal Mark Doecke called “Doing things that last”.)

Class Carer Report

Hello,

As most of you will know St Jakobi has a Class Carer system in place where we can support our school families. We do this by sending a card, providing meals, and occasionally we are able to supply vouchers to help out or encourage them.

Each term a couple of classes are rostered on to help keep our freezer stocked. For your convenience, we keep a stock of containers that you can use in these classes.

This term it is Miss Connor’s class and Mr Adler’s turn to supply meals.

Please note: Even if your child is not in these classes, we would encourage you to help support or Class Carer System as we have quite a number of families who we are supporting at the moment and our ‘freezer turnover’ is very high.

If you wish to help, please ensure that all meals have the ingredients listed on the top of the container, date it was made and any heating instructions.

Ideas for popular meals include: Tuna Mornay, Lasagne, Soups, Chow Mein, Apricot chicken, Quiche, Apple crumble, Biscuits, Cakes. There is also a need for families with intolerances for example gluten free, dairy free, vegetarian. For more ideas see our recipe book.

OR if you are not a budding chef, then we are happy to accept pre-purchased foods such as frozen lasagne etc.

Let’s all continue to care for each other. These meals are making a real difference to the families in our school community.

Thanks so much for your help.

The Class Carer Team

Show Jesus’ love through practical care within the school community.

Class Carer Meals

Classes Yr. Foundation and Yr. 6/7A

Please speak with your class teacher regarding the class carer recipe book and food handling guide.

Thank you for your support.
Glee Club visit Tanunda Lutheran Home

Last week, the Glee club were invited to visit the residents at the Tanunda Lutheran Home. Glee club entertained the residents by singing four songs. They then had the opportunity to join in a sing-along with the residents, sharing in some of the songs from their era. The Glee club students thoroughly enjoyed this experience particularly getting to meet the residents, learning some older songs, getting to take home the music to the songs and seeing how happy their visit made the residents. The Glee club were so excited by this experience that they sang the whole way to Tanunda and back on the bus! What a wonderful way to share the St Jakobi spirit with the community!

Mystery Fruit & Veg Boxes

Delivery of the mystery fruit and vegetable boxes have begun as the garden produces more to share.

Make sure you have placed your order through the front office so you don’t miss out!

If you order more than one box we will deliver these with a reasonable gap so you will not have exactly the same produce for each box.

Thank you for supporting our Kitchen Garden and the students efforts.
Year 2/3 Camp

Last week, Thursday and Friday the Year 2/3 classes had a sleep over at Glenhaveb Park. They had fun in the great outdoors and would like to thank the parent helpers for joining us.

Miss Nappa and Miss Heinjus

Uniform Swap Days

Thursday Aug 27th—Tuesday Sept 1st
Before and After School
The Valley of Hope Centre
Have you got unwanted uniforms or shoes that you don’t know what to do with?

- Bring in all of your unwanted uniform items - new or old that are in a good condition.
- This will be a great way to recycle our old uniform as they will be boxed up and sent to communities in the Kalahari desert!
- You will have the opportunity to find new ‘used’ items for your family to use.
- There will not be a price for any items, BUT we ask for a monetary donation for whatever items you take.

This is a great way to help those in need for something in return. All money raised will be donated to Prison Fellowship—A charity that brings hope to prisoners, ex-prisoners, their families and those affected by crime.

For more information contact the school: 8524 4689

St Jakobi is collecting the Woolworths Earn and Learn Stickers.

Please collect your stickers from Woolworths and place them on the sticker card. Simply pop these cards into your school box at Woolworths in Gawler or in the school front office.

Thank you for your support.
Hello and welcome to this fortnight’s rundown of P & F activities.

I hope everyone is having a great week.

Walk to School Day
Thank you to the helpers for providing assistance for the Walk to School Day. Many hot Milos and biscuits were served to the student after their long walk from Lyndoch. It was also good to see lots of beautiful manners from the students.

Book Week Donuts
The P & F will be serving donuts to the students this coming Wednesday as part of Book Week celebrations. We need a couple of helpers please. If you are free and would like to help please get in touch.

Lego Exhibition
We are looking to host a Lego Exhibition in the July holidays next year at St Jakobi. This will be an excellent and big fundraiser for our school. If anyone is wanting to be on the P & F sub-committee please get in contact with me. We will be meeting at my house soon. We are looking for someone to head up the catering for the weekend. If you have the skills we would greatly appreciate your help.

Blessings,
Brad Mundt
