

An affordable service

St Jakobi OSHC aims to provide an affordable service to all its families. The fees below show the maximum price that will be charged; however, most families are eligible for the Child Care Subsidy (CCS).

Payment of Fees

Invoices will be sent out weekly and will need to be paid within the fortnight.

Booking and Cancellations

Bookings must be made to the Director in advance before the end of the previous day's session (6pm) as the service needs to ensure all staff to child ratios are met. If bookings are not made before the session time you require, care may be denied.

Cancellations for **BSC** need to be done by the end of previous day's session by 6pm. **ASC** sessions need to be cancelled by 10:30am on the day of booking to avoid being charged the cost of full fee for that session.
