Winter is a dormant season. It’s a time when trees become bare and most of the grass, plants and flowers die off. But winter is also a time of preparation—as roots and tree saps respond to soil and temperature changes to prepare for growth that comes in the spring.

In much the same way, you and I go through spiritually dormant seasons. These are the seasons when God seems silent...when our dreams and visions for the future seem lifeless. But although we may not see or feel anything exciting, it doesn’t mean nothing is happening. A lot has to happen on the inside of us before we are ready to handle the future God has for us.

Just as winter prepares plants and trees for warmer weather, a spiritually dormant season is a time of preparation—when our inner character is developed and strengthened. Strong character is essential for withstanding storms that will come during seasons of growth and harvest. I find there are a lot of people who have the gifts and talents to take them somewhere exciting, but if they don’t have strong, Christlike character, all the talent in the world won’t keep them there.

God has something planned for you, and if you’re not living in the fulfillment of His plan for you, then now is the season of preparation. Rest assured, you’re not alone. We all go through times like this. The Bible tells us that even Jesus needed time to grow and increase in wisdom, stature and in years before He was ready to make a global impact through His three-year ministry (Luke 2:52).

God has amazing plans for your life! He wants you to fulfill your dreams and live a life of blessing, hope and promise. I hope you’re encouraged today. You will get there—as long as you are willing to do your part and trust God to do His part. And the more you lean on and trust in Him through that process, the sooner you’ll be ready for whatever He has prepared for you.

God bless your week,
Kathryn

Before and After School

The Valley of Hope Centre

Have you got unwanted uniforms or shoes that you don’t know what to do with?

- Bring in all of your unwanted uniform items - new or old that are in good condition.
- This will be a great way to recycle our old uniform as they will be boxed up and sent to communities in the Kalahari desert!
- You will have the opportunity to find new ‘used’ items for your family to use.
- There will not be a price for any items, BUT we ask for a monetary donation for whatever items you take.

This is a great way to help those in need for something in return.
All money raised will be donated to the Cancer Council SA
